

## Student Regents How to Guide for Self-Guided Review

Castle Software, Inc. www.castlelearning.com

## **Creating a Regents Review**

- 1. Log in to your Castle Learning account.
  - **IF YOU DON'T KNOW YOUR ACCOUNT**, email Castle Learning at <a href="mailto:support@castlelearning.com">support@castlelearning.com</a> or call 800-345-7606 ext 1 for Support.
- 2. In the middle of the screen, select the Regents course for Review. All Regents courses are available. **NOTE**: For math, be sure to use Integrated Algebra **NOT** Algebra.

- 3. Click Go.
- 4. Click Review.
- 5. Click Sessions That You Create Yourself.
- 6. Click the choice that indicates <a href="Create a New Short Answer Session From a Sample Assignment">Create a New Short Answer Session From a Sample Assignment</a>.
- 7. Scroll past any "canned" assignments by topic until you see NYS Regents. Click on the Regents you would like to practice. They are dated by year and month.
- 8. Respond **OK** to the prompt.
- 9. You have two attempts for each question. You will be prompted to try again if you get the answer wrong. Remember to read the hint and view the vocabulary before you try again.

## Returning to an Incomplete Regents Review

- 1. In the middle of the screen, select the Regents course for Review.
- 2. Click Go.
- 3. Click Review.
- 4. Click Sessions That You Create Yourself.
- 5. Click on the date of the session you were working on to pick up where you left off.

## **Review Results from the Session**

- 1. In the middle of the screen, select the Regents course for Review.
- 2. Click Go.
- 3. Click Review.
- 4. Click Sessions That You Create Yourself.
- 5. All the way to the right of a session, click on the Report icon.
- 6. Print the report to identify specific topics that need practice and review.
- 7. Go back in to create a session yourself this time using the <u>Create a New Short Answer Session</u> NOT the sample one this time. This will give you topics to practice.
