Dear Parent/Guardian,

We are pleased to announce the opening of our parent portal on our school website, highland-k12.org. Through this portal you will have access to your child's report card and progress report during the first marking period. During the second marking period, which begins November 11, 2016, you will also have access to your child's assignments.

In order for you to access this portal, you will need to sign up in person at the middle school main office. Forms can be down loaded from the school web-site and will also be available in the main office. A photo ID will be required. Specific directions will be available upon signing up.

Yours truly,

Daniel S. Wetzel
