INTRADISTRICT COMMUNICATION

To: Ms. Deborah Haab, Superintendent of Schools
From: Ms. Maria McCarthy, Food Service Director
Date: December 13, 2012
Subject: November 2012 – Activity Report for Foodservices

A) *Highlights:*

1. The required Federal Verification Audit of the free/reduced meal applications has been submitted to the State Education Department.
2. Our Thanksgiving meal was served on Thursday, November 15th. We served 969 complete holiday meals.
3. As a result of the Healthy, Hunger Free Act of 2010, there has been many changes that have taken place. These changes were mandated to begin with the opening of school, September 2012. The first set of changes is to the lunch program. On November 27th, two representatives from the high school Building Level Team spent time with the students during lunch to discuss their knowledge, thoughts and opinions in regard to the new meal regulations. PLEASE NOTE: As of December 7th, there have been modifications made to the new regulations. For the rest of this school year, the ‘maximum amount’ of grain and protein we are allowed to offer has now been lifted. This will give us more flexibility on our offerings. However, we must still stay within the calorie range for each age group. We cannot exceed the maximum calorie limit. Although this informal survey occurred before the modifications were made, the students comments and opinions are still relevant. I would like to thank the Building Level Team for taking the time to gather the information from the students. The feedback is very much appreciated.

B) *Meal Counts:*

1) Breakfast – average meal count is now averaging 275 per day. The highest breakfast count was 315. These figures only include reimbursable meals, not a la carte sales. Participation was 15%. There were 18 serving days.

2) Lunch – average meal count is now 955 per day. The highest lunch meal count was 1024 per day. Participation was 52.6%. There were 17 serving days.

If you need further information, please contact my office.

TRANSPORTATION DEPARTMENT

TO: Deborah Haab
    Roseann Bayne
FROM: Debbie Tompkins
RE: Report to BOE 1.04.2013

1. The transportation Department has been busy working on the new driver/attendant files required by the State Education Department. (See Attached)

2. An inventory has been completed on our bus cameras indicating that our buses are in dire need of an upgrade or a new system. We currently have four different camera systems the oldest being VHS, eleven to be exact, with only two working. Fourteen vehicles do not have any camera system and six buses with digital systems do not work. Attached is an inventory sheet of every bus with its current camera system. Transportation has been working with the Technology Department to research a new system that would help to provide our district students with safe transportation.

3. On January 22nd, drivers and attendants will have their two hour mandatory refresher class. The topic will focus on hazard, harm and risk.
