BUDGET PRESENTATION: (Power Point available in District Office)
The Leadership Team presented preliminary budget for the 2013-2014 school year. The information for tonight’s presentation is based on the feedback from the March 5th Board meeting. At the March 5th meeting, it was suggested that $300,000 from the accrual account and $133,000 from tax cert reserve be transferred out which might benefit maintaining some programs.
The topics of this power point presentation reflected the following:
- Increase revenue from 2013-2014
- The only change in revenue is from accrual and tax cert reserve
- Restorations in programs
- Revised instructional reductions
- Revised extra-curricular reductions
- Not-revised support staff – this is due to focusing on student programs
- Revised amount from new total reductions
- Discussion took place about what possible additional avenues can be explored

The Board had the following questions/concerns/comments:
- Tax Cert Reserve – What are the risks involved from pulling funds out
- Music Program – Elimination of music in Grade 4
- Reductions of JV level teams – Alan Barone expressed a concern about cutting JV for a savings of only $17,000 – is this cost effective?
