Highland Central School District

AGENDA
Board of Education Meeting
Tuesday, November 18, 2014
5:00 – 6:45 pm Board Retreat
7:00 pm Open Meeting to be held in the
High School Cafeteria

BOARD RETREAT
Board will meet with District Leadership Team in the BOCES Conference Room.

CALL TO ORDER AND PLEDGE OF ALLEGIANCE

PUBLIC COMMENTS:
Any topic related to the agenda may be addressed except for personnel or specific student issues.

The school board encourages public participation at its meetings. To allow for efficiency in conducting meetings and to give each speaker a fair opportunity to present his/her views the following shall apply to the public speaking portion of the agenda.

- Each speaker shall state their name;
- Any questions/concerns be submitted in writing with speaker’s contact information (name/address/phone number);
- Each speaker shall be limited to a time agreed upon by the Board;
- The Board will not permit discussion involving individual personnel or students;
- Direct all remarks to chair. Community members may not poll individual Board members nor debate other community members in attendance.

Members of the community are encouraged to also present their comments in writing. Undue interruption or other interference with the orderly conduct of the Board of Education business will not be allowed. Defamatory or abusive remarks are always out of order.

SPECIAL PRESENTATION
- The Middle School will demonstrate instructional strategies that incorporate technology.

Chapman, Director of Student Services; Pete Miller, Director of Buildings and Grounds; Carol Potash, Director of Technology; Debbie Tompkins, Assistant Director of Transportation (6:45 pm); Pete Harris, High School Principal; Meghan Connors, Assistant Principal at Middle School; Joel Freer, Elementary School Principal; Kathleen Sickles, Assistant Principal at Elementary School

Other Attendees: Ashley McGraw Architect firm Design Team members.

CALL TO ORDER AND PLEDGE OF ALLEGIANCE (6:06 pm)
Board President Alan Barone called meeting to order at 6:06 pm. The Pledge of Allegiance was then recited.

PUBLIC HEARING (Power Point Presentation)
Superintendent, Deborah Haab, presented a power point presentation to community regarding the 17.5 million dollar capital project proposition. Deborah Haab started presentation by thanking the Board for all their hard work in fine tuning the numbers and items in proposed project.

Topics included but not limited to:
- Benefits to students in all buildings;
- Planning process of project;
- Facilities Needs Review Committee;
October 21, 2014 Minutes

- Health, Safety & Security Improvements;
- Updating Infrastructure;
- Exterior Rehabilitation;
- Energy Efficiency Upgrades;
- Program Improvements;
- Athletic Improvements;
- Project Funding;
- Effects on Taxpayers;
- Date of Capital Project Vote

The Board had the following questions/concerns/comments:
- Seating capacity at bleachers for the Middle School? Deborah responded the original footprints will remain the same.
- Information center for dates and location. Also, website has a wealth of information.
- Alan Barone compared how the two projects (comparing the Capital Project Vote in December of 2013 and present) were different and what key items were eliminated and/or scaled down.

No public comments were made at this Public Hearing. Public Hearing was closed at 6:28 pm.

Motion made by 6:28 pm by Mike Reid to go into Executive Session; Seconded by Tom Miller; Motion carried with a 7-0 vote.

EXECUTIVE SESSION (6:28 pm)
BE IT RESOLVED, that the Board of Education of the Highland Central School District conduct an Executive Session to discuss the following topics:
- The Medical, financial or credit, employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation.

Motion made at 7:00 pm by Tom Miller to exit Executive Session and return into Open Meeting; Seconded by Mike Reid; Motion carried with a 7-0 vote.

Meeting reconvened at 7:05 pm.

STUDENT REPRESENTATIVE OATH OF OFFICE & COMMENTS
Pete Harris, introduced Danielle Stoner to the Board as the Student Representative for the school board for the 2014-2015 school year. The District Clerk then administered Oath of Office to Danielle Stoner. Oath of Office on file in District Office.

SPECIAL PRESENTATION (Power Point):
Director of Technology, Carol Potash, presented the meaning behind Blended Learning at Highland CSD. Topics included but not limited to:

- Combining online contents and face-to-face instruction;
October 21, 2014 Minutes

- Placing actual coursework online for students to access and move through at their own pace;
- Using computers and/or devices with a plan for increased achievements.
- Teacher Maureen Pesano demonstrated how she uses the program Noodle with her students in the Instructional Skills class;
- Mark Chiarieri demonstrated how he uses the program AirServer with his students in his English class (unfortunately due to minor technical difficulties he was not able to fully show his presentation).
- Chris Cozzolino demonstrated how he uses Nearpod with his Physics and Calculus class.

The Board had the following questions/concerns/comments:
- The cost of app program. Response was after a free trial there is a minimum cost to upgrade account.
- Sue Gilmore requested to see Mark Chiarieri’s demonstration at another time;
- Sarah Dudley-Lemek thanked Maureen, Mark and Chris for sharing with the Board their demonstrations.
- Deborah Haab stated the STLE grant has supported this and she also thanked Carol Potash for supporting this blended learning concept.
- As of today’s date, there are seventeen (17) teachers in this program.
- Discussion took place about how this concept has changed the complexity of department. Further discussion took place on researching the cost to provide the required resources as well as technology update in this department. A suggestion was made if a separate proposition should take place in future for the purpose of supporting technology.

PUBLIC COMMENTS (7:05 pm):
The floor was open for public comments. No comments were made at this time.

ACCEPTANCE OF REPORTS:
BE IT RESOLVED that the Board of Education acknowledges reviewing the following report(s):
  a) Treasurers Reports – September 2014

Highland Central School District
Student Services
HIGHLAND ELEMENTARY SCHOOL
Principal's Report
November 13, 2014

Enrollment:
Total: 796H + 2M = 798 (as of 11/13/2014)
*Note: We have two students attending from Marlboro as tuition students. Notice this distinction in the kindergarten and first grade enrollment number.

SAFETY Drills:
We have completed a school-wide Lockdown Drill and all required fire drills for the fall. There are two additional fire drills to complete before winter sets in. Additionally, we will conduct four fire drills in the spring.

Local Assistance Plan (LAP):
The elementary school is continuing to work with the SESIS from BOCES on completing action plan goals from last school year. The LAP is in the has been updated and is ready for BOE review and approval so that it can be posted on the district web site as mandated by State Education Department.

Superintendent's Conference Days:
The elementary teachers have used the half-days that have been incorporated into the calendar to work with the new mathematics curricula across the building. Teaching assistants have also joined in the conversations and work to solidify the approaches being used from grade level to grade level. Robin Hecht, Deb Kelley and Terri Grossman have been working hard to lead the work being done in this area. Our plan for the half day on Friday, December 5th is to review the RTI/AIS plan with the faculty and staff (including reviewing the process and forms to be used when referring a child to the IST).

Common Core Math Parent Night:
Our first Common Core Math Parent Night was held on Monday, November 3rd for parents with students in grades K-2. The evening began with an overview of the shifts in math and then parents rotated through a series of mini-lessons highlighting some of the new approaches that are being used to help students better understand content. The PTA sponsored a musical event with a drummer for students to attend so parents could receive information from the sessions. Additionally, the High School Honor Society members were on hand to work with students on crafting so parents could attend the math sessions. The entire evening was well received by parents and many commented that they would like more opportunities for events such as this one in the future. Over 70 parents attended the evening.

PTA:
PTA has been busy researching arts-in-education experiences for the student body and will make a presentation to the full PTA in December. Additionally, they have completed two of their planned fundraisers for the year. Thank you to PTA for supporting a drumming program during our recent Parent Information Night so parents could attend workshops and their children could participate in a fun activity.

APPR:
The evaluation process is underway at the elementary school. We have completed twenty [20] of the seventy [70] announced observations. Unannounced observations will take place after most of the announced-style are completed.

Positive Behavior Interventions & Supports (PBIS):
We have incorporated themes for each of the months to make the PBIS work interactive. For instance, GRATITUDE is the theme for November and students have been asked to think about ways in which they are grateful for something. Additionally, there is a large poster in our main hallway where students can record their thoughts for others to read and reflect upon.
Playground Committee:
The HES Playground Committee held a penny social on Friday, November 7th. They have reported a profit of $3100 which will go into the fund to help upgrade the existing playground area at the elementary school.

MOBIL Energy Grant:
The elementary school has been fortunate to receive a financial grant in the amount of $500 from the local MOBIL on Route 9W. Thanks to Linda Scribner, teaching assistant at the elementary school, for continually seeking such opportunities from MOBIL.

IBM Grant:
The elementary school has been fortunate to receive a financial grant in the amount of $1000 from IBM. Thanks to Colleen Incorvaia, parent at the elementary school, for submitting our school to her company for this award. We have used this award in the past to purchase technology for the school and plan to do so again.

Upcoming Events:
Parent/Teacher Conferences – Monday, November 24 (5:45pm – 6:00pm)
Parent/Teacher Conferences - Wednesday, November 26 (8:00am – 11:00am)
HES PTA Meeting – Monday, December 6 (6:30pm)
HES In-School Winter Concerts for Students – Friday, December 12
HES Winter Concert – Monday, December 15 (6:30pm)

Calendar:
- November 20: School Picture re-takes
- November 21: Written portion of Scripts Spelling Bee, PTA School Dance
- November 25: PM Parent conferences
- November 26: AM Parent conferences
- December 8: PTA Meeting
- December 11: Winter Concert

AIS: We continue to have 101 students enrolled in 18 sections of AIS Math. We now have 77 students enrolled in 15 sections of AIS reading. I have been visiting the AIS math classes on a regular basis. There is strong alternative instruction happening on a regular basis. At any given time you can witness a small group (3-4) being instructed alternatively on grade level curriculum and up to 5 students working on skill deficits through Moby Max. At the 15 week mark, all students in AIS math will be re-assessed using Moby Max to see if there is noted improvement.

WRITING PROJECT: Using curriculum and faculty meetings, teachers have worked together in grade level groups to determine the focus of writing instruction. This instruction is individual to each teacher. The purpose of the group discussion is to make available, experts (ELA teachers) to the rest of the staff so that writing instruction in non-ELA classrooms is as effective as possible. Another purpose of the group discussion is for all teachers at a grade level to have knowledge of each other’s instruction. In this way we can assure that all needed areas of covered and replicated throughout the instructional day.

Red Cross Emergency Shelter: Before the end of the month, a representative of the Red Cross will visit the school to conduct a survey update as the Middle School is an emergency shelter location.

Kurzweil Training: Kurzweil is a software program that will read any document to a student. We are currently having teachers trained in the use of this program as we have a student with an IEP who cannot read and is in need of this level of support.

IST/AIS: Returning to the 9 period day, we have the opportunity to more effectively implement the Instructional Service Team model. Each grade level team has been meeting regularly to discuss students’ difficulties. At Monday’s faculty meeting, we will review the successes of implementation and brainstorm solutions to difficulties implementing this process. The goal is to assure that Tier 1 intervention strategies have been implemented for each struggling student and if these strategies are not successful, have the existing paper trail to support effective choices of Tier 2 intervention strategies.

Calendar:
- November 20: Parent/Teacher Evening Conferences
- November 26: Parent/Teacher Morning Conferences
- November 27-28: Thanksgiving Break
- December 3: Financial Aid Night
- December 4: Financial Aid Snow Date
- December 5: Half Day for Students A.M. and Conference P.M.
- December 5-7: Canada Trip
- December 10: High School Winter Concert
- December 12: End of Third Marking Period

Community Foundations of the Hudson Valley Grant
Thanks to Vanessa Pratt, HHS has been awarded a $2,000 grant to support a field trip to the Ashokan Field Campus. The field trip will be an event that supports the freshmen mentoring program. The purpose of the trip is to build bonds and develop communication skills amongst the freshmen, their mentors and chaperones. During the trip students will participate in a ropes course, communication activities and survival orienteering.

Emergency Drills
On November 6th HHS participated in county-wide early release day. On November 12th HHS conducted a progression of emergency drills. All students and staff participated in a “Shelter in Place” drill followed by a “Duck and Cover” drill. All students and staff lastly practiced a whole school evacuation through a single point of egress using the gymnasium.

American Red Cross Blood Drive
On November 4th the SADD club hosted a blood drive in the gymnasium with the American Red Cross. During the day 24 pints of blood were collected.

College Information Night
On October 29th the HHS guidance department hosted a college information night. The purpose of the event was to inform the parents of the college search, application and selection process. During the event parents were introduced to Naviance, an online platform that helps students to search colleges and career opportunities. It also allows them to apply for admission and to save their demographic and specific academic information for admission counselors at colleges to see.

Model UN
On November 15th the HHS Model United Nations Team will travel to Bard College to participate in a conference. The conference will focus on: the situation in Palestine, the Egyptian Constitutional Committee, the British Peace Summit and the right to adequate housing and protection from forcible eviction. Our HHS team will be representing the perspective of 13 different nations.

Sharing – We are continuing to work closely with our neighboring school districts. We are going to be sharing the services of a Teacher of the Visually Impaired with New Paltz. Students Services in Marlboro and Highland are working very closely together sharing information, resources, and developing placements for students. We are reviewing a Marlboro student for possible inclusion in our elementary school self-contained program.

Clarification Dropouts – There was an eighth grader listed as a dropout on the attendance and enrollment report. That was actually a temporary data situation. The student had relocated and we had not received a records request from any other district in a timely manner, so the student showed up on the dropout report. Since that time, we have received the records request and the student has been recoded to moved - enrolled in a public school out of state and no longer appears on the dropout report. A partial answer to the low percentage of attendance on the high school report has to do with 2 or 3 students who have not attended school at all and are no longer of compulsory age. After all attempts to get the student to attend school have been exhausted, the student(s) will be dropped for nonattendance and will no longer effect the attendance report.

Annual Review Planning and Budgeting – We are beginning to schedule our out of district students for their annual reviews and for planning for the budget process. This involves going to visit some of the programs to see if there are students who need program changes or are ready to return to district. We also identify any students expected to graduate. While we have a very intensive process to determine where our students will be placed and what expenses this will entail and we have been very accurate in the past, this is an unpredictable business as families can move in or out of the district and significantly impact our numbers.

State Performance Plan 8 – Parent Surveys – Percent of parents with a child receiving special education services who report that schools facilitated parent involvement as a means of improving services and results for children with disabilities. We are required to order the parent surveys and distribute them to families for them to fill out and return to the state. Many districts struggle to get the required percentage of surveys returned, but the last time we had this indicator to report on, we did very well with our return rate.
