EXECUTIVE SESSION (Pending on Board Approval)
BE IT RESOLVED, that the Board of Education of the Highland Central School District conduct an Executive Session to discuss the following topics:

- Collective Negotiations pursuant to Article 14 (Taylor Law) of the Civil Service Law;
- The Medical, financial or credit, employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation

CALL TO ORDER AND PLEDGE OF ALLEGIANCE

SPECIAL PRESENTATION
Alec Sorbin, CPA of Ray Preusser's Firm will provide an overview presentation of the External Audit for the period ending June 30, 2015.

PUBLIC COMMENTS:
Any topic related to the agenda may be addressed except for personnel or specific student issues.

The school board encourages public participation at its meetings. To allow for efficiency in conducting meetings and to give each speaker a fair opportunity to present his/her views the following shall apply to the public speaking portion of the agenda.

- Each speaker shall state their name;
- Any questions/concerns be submitted in writing with speaker’s contact information (name/address/phone number);
- Each speaker shall be limited to a time (approximately 10 minutes) which is agreed upon by the Board;
- The Board will not permit discussion involving individual personnel or students;
- Direct all remarks to chair. Community members may not poll individual Board members nor debate other community members in attendance.

Members of the community are encouraged to also present their comments in writing. Undue interruption or other interference with the orderly conduct of the Board of Education business will not be allowed. Defamatory or abusive remarks are always out of order.

ACCEPTANCE OF REPORTS:
BE IT RESOLVED that the Board of Education acknowledges reviewing the following report(s):
   a) Board of Education Meeting Minutes – September 15, 2015
   b) Treasurer’s Reports – June, July and August 2015
   c) General Fund Budget & Revenue Status Reports – June, July and August 2015

g) Correspondence – Any correspondence received by the Board may be discussed.

h) Future BOE Agenda Items

Old Business:
   a) EBoard Program - Discussion

PUBLIC COMMENTS:
Any topic related to the agenda may be addressed except for personnel or specific student issues.

EXECUTIVE SESSION: Anticipated upon Board approval
BE IT RESOLVED, that the Board of Education of the Highland Central School District conduct an Executive Session to discuss the following topics:
1. _____ Matters which will imperil the public safety if disclosed;
2. _____ Any matter which may disclose the identity of law enforcement agent or informer;
3. _____ Information relating to current or future investigations or prosecution of criminal offices, which would imperil effective law enforcement if disclosed;
4. _____ Discussions regarding proposed, pending, or current litigation;
5.  x  Collective Negotiations pursuant to Article 14 (Taylor Law) of the Civil Service Law;
6.  x  The Medical, financial or credit, employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation;
7. _____ The preparation, grading or administration of examinations;
8. _____ A proposed acquisition, sale, or lease of real property or the proposed acquisition of securities, or sale or exchange or securities held by such public body, but only when publicity would substantially affect the value thereof.

ADJOURNMENT
HIGHLAND CENTRAL SCHOOL DISTRICT
320 Pancake Hollow Rd., Highland, NY 12528

OPERATIONS & MAINTENANCE DEPARTMENT
Peter D. Miller, Superintendent of Buildings & Grounds
(845) 691-1046 - Fax (845) 691-1016

BOARD OF EDUCATION
October 6, 2015
OPERATIONS AND MAINTENANCE REPORT

GENERAL

- The buildings are in good shape and everything is pretty much settled in for the school year.
- The IT Department has made their move to the “new” offices near Central Administration.

GROUNDS

- The grounds men are maintaining the sports fields and ancillary grounds. The weather has been good so far this fall season for both field quality and maintaining sports schedules.
- The middle school field, which is out-of-service, will be over-seeded next week and all sports fields will be fertilized the Columbus Day weekend.
- The bulk of the new equipment is in and being used. The new Ventrac mower has eliminated the danger of mowing the side hill behind the H/S bleachers and the steep bank in front of the M/S bleachers. It also does a superior job of grooming the playing fields in preparation for line painting. Purchasing specifications on the trucks are being finalized as the bid has just come out.
- All tree trimming has been completed where there was encroachment of driveways and parking areas.

FACILITIES

- Ashley-McGraw has begun work on the Building Condition Survey and M&E Engineering will be on site on Monday, October 5th to begin assessments of building infrastructure systems. Pat Flynn and associates will be on site Thursday, October 8th and Friday, October 9th to survey the interior and exterior of the E/S and the exterior of the M/S.
- Maintenance personnel are upgrading six (6) locations throughout the district to 208/240 volt power supplies for six (6) of the new copiers. This involves running new electrical circuits from breaker panels to the locations needed. These locations previously had 110 volt copiers. This work is scheduled to be complete by October 23rd.
- The E/S freezer installation is complete. Our maintenance personnel are working to improve ventilation in the storeroom where the freezer is now located due to the excess heat generated by the compressor for the freezer. A temperature activated fan is being installed on the current roof vent.
- The water pumps for the cistern at the H/S were not able to provide sufficient pressure to the water pressure tank and these were pulled, inspected and re-plumbed. The deterioration of the plumbing was the issue with the pressure. The pumps appear to be fine. This item has been removed from the scope of work to be done in the water building through the capital project.

- Radio repeaters, which had been installed in each of the buildings to enhance the radio communication, are working well. There was some short term issues while attaining a familiarity with the system and how repeater radios work differently than direct radio-to-radio analogue communications. All seems good now and everyone appears to be happy with the radio improvements.

- All heating system boilers have been tuned up in preparation for the heating season.

- Maintenance Personnel are rehabilitating the “old” H/S faculty room into becoming a teaching space.

**SCHOOL BUS MAINTENANCE**

- This year’s school bus inspection cycle beginning April 1, 2015 has completed Thirty-five (35) buses inspected. Two (2) buses have failed. Both were repaired and re-inspected. This provides an inspection rate of 94.28%.

- Ongoing PM’s (preventive maintenance checks) and DOT inspection preparations are finding numerous significant issues. Bus #119 continues to be listed as “Temporarily Out-of-Service” with DOT due to a transmission issue, among some other items needing repairs. This bus may never be returned to service due to its age, the repair issues surfacing and the likely possibility any monies spent will only provide a very short term in-service life going forward.

**PERSONNEL**

- Recommendations for two (2) Custodian(s) have been forwarded to the Superintendent. These replace a retiree and fill a position vacated by a promotion.

- There has been a recommendation provided to the Superintendent for a Part-time Automotive Mechanic for the bus garage.

- One (1) Custodial Worker position remains open and interviews will be held shortly for this position as the Custodian positions will now be filled.

- The district has advertised for a maintenance person as a leave replacement for one of our maintenance people who was injured in a vehicle accident.

End of Report
HIGHLAND CENTRAL SCHOOL DISTRICT
INTRADISTRICT COMMUNICATION

To:          Ms. Deborah Haab, Superintendent of Schools
From:        Ms. Maria McCarthy, Food Service Director
Date:        September 30, 2015
Subject:     Summer 2015 – Activity Report for Foodservices

July 2015

1) End of year processing was done through BOCES for our register system.
2) The required Health Department Inspection Report was filed online.
3) The application for new permits for the coming school year were applied for.

August 2015

1) The parent pack was sent out as part of the school calendar.
2) Attended the user group meeting to stay current with the upgrades for the
   WinSnap/Websmartt register system.
3) Annual Renewal paperwork was completed on line. All three schools will once again
   receive severe need status reimbursement for complete breakfast meals served this
   year, which is an additional $0.33 more than non-severe need reimbursement rate.
4) The reimbursement rates for lunch increased $0.09 per complete meal served. This
   increase comes from the Federal portion of the reimbursement.
5) Health department permits were received for all kitchens.
6) Attended several webinars, offered by the State. The webinars were offered in place
   of the traditional day-long meeting we have attended in the past. These are offered as
   a way for all to stay current with new regulations that are to be in place for the
   beginning of the school year as well as refreshers for existing regulations. This year
   the focus will be on staff training. Each employee is required to have at least 4 hours
   of job appropriate training. Depending on the job title, some staff may be required to
   have an additional 2 hours of training. Next year the training hours will increase.
7) The new freezer was installed at the Elementary School and is in full use.
8) The first of four required SNAP/MEDICAID downloads was done to directly certify
   students for free meals to begin the school year with.

Staffing

1) One full time food service worker position has been abolished.

If you need further information, please contact my office.
To: Mrs. Haab  
Date: September 10, 2015  
Subject: Board Update

- JV and Varsity sports are in full swing for the Fall 2015 season.

- Modified sports began on the first day of school.

- Five students in the middle school qualified for the Athletic Placement Process to participate in JV/Varisty sports. There are three students on the Varsity Swim team. One student is on the Varsity Cross Country team. One student is playing on the Varsity Girls Soccer team.

- Varsity Football held their opening game of the season at home on Friday, September 4th at 7:00pm. Seven hundred people were in attendance as they played Burke. The Huskies won the game with a score of 34-7.

- The JV and Varsity Volleyball team has a new coach in the district. Dana Martin, a former Burke student and graduate of Hartwick College, has been a team member in volleyball throughout high school and during her college career. She was a member of IREVA, a high performance junior/youth national competition team in 2009 and 2010. She also participated in National Volleyball tours in 2011. She has brought both the JV and Varsity teams into the season with strong performances, and has already developed solid relationships with her athletes.

- A new volleyball net/system has been purchased for the middle school to replace a system that was broken. It will be installed and ready for use by the first home modified home game.

- The completed code of conduct forms have been turned in to the athletic office.

- There are 17 teams in total for the fall season between the middle school and high school.

- The athletic trainer will be present for the 11 home football games at a cost of $150.00 per game. He comes to the high school at no cost to the district every Tuesday to see and make recommendations to the student athletes.

Thank you,

Frank Alfonso  
FA/ems
Transportation got off to a busy start this year. Minor adjustments are still being made to a few bus routes.

On September 15th the every bus route conducted the first required bus safety drill of the year. Special thanks to the Highland Fire Department who helped drivers conduct the drills and help students exit out of the back door of the school bus.

Approval is needed for a special needs Highland student residing at the St. Margaret Center in Albany to the Langan School also in Albany. (See Attached)

A Driver Attendant meeting was held on October 5th I have attached a copy of the agenda. We will continue to hold monthly meetings to address any issues and concerns.

*School Bus Safety is ..... One bus stop at a time*
**Instructional Technology**

Opened school successfully with the cleaning and setup of ~765 workstations. With the assistance of summer help, most workstations and projectors were vacuumed, cleaned out, and set up for opening day.

We deployed about 30 new teacher workstations, 40 new laptops, and several iPads. Our iPad count is up to +/- 500 or more.

**Blended Learning**

Over the summer, there were some Tech. Workshops available for teachers. Attendees learned of techniques and tools for Blended Learning. Some teachers who use tools assisted with the workshops: Stefanie Whiston, Maureen Pesano, Mark Chiarieri, and Chris Cozzolino. Using these teachers is a great additive to the workshops – each one uses some different tool or application with ease.

I assisted the Middle School Math Dept. with their Flipped Learning workshops. Their classroom technologies are in working order and they are flipping away!

Throughout every workshop over the summer, the participants learned of Schoology and how to set up their coursework online.

**Schoology Snapshot**

We rolled out the Schoology platform for an LMS (Learning Management System) with a couple of Intro. Workshops. This is a snapshot of some Schoology Analytics – I will include more in my next report.
